Subject: Cancellation - Safety Audit Saturday 27th November

Good Morning All;

Due to the forecasted rough weather for this Saturday I have cancelled the scheduled audits.

As we have limited time till Christmas I suggest that boat owners contact one of the auditors directly and arrange a mutual time. The auditors have indicated they can accomodate the outstanding yachts.

Note, yachts have a safety waiver still current till 31st December 2021.

Once you have completed your audit can you forward a copy of the safety certificate to myself and John Barter.

The yachts currently outstanding are;

Inception
Majella
Cordelia
Axiom
If It fits
Aeolus

The current Auditors are;

Glenn Smith mob. 0412210405
Jim Lupton mob. 0409463298
Rob Milner mob. 0452232189
Michael Wolf mob. 0439139672

Any question please give me a call.
Regards...Bill
