

Skippers Feedback

Feedback 1 - Awesome

Suggestion: 3 minute penalty for 1st is too severe. Maybe 2,2,2 1,1,1 penalty first 6 places

Smaller numbers 2,2 1,1...

Point being you will have a more spectacular finish as 3 boats vie for the best placing with same penalty. Kyle Hurst

Ran my thoughts on handicapping past the skippers of Mangrove Jack. They think it's a goer. Where /how do I put it up to the committee?

One further benefit would be that your main rivals would be similarly disadvantaged.

Response 1 – Will talk to all and show responses - TBA

Feedback 2

All good as proposed. Job well done again. Much appreciated. Peter Rochaix

Response 2 – Thanks

Feedback 3 – Thanks John. Can't wait. Andy Chilton
